

Aggregate Mix Designs - Resin Bound

◀ **BAMBOO**

Exclusively blended from Autumn Quartz to provide one of our lightest mixes offering light neutral tones.

◀ **SAND DUNE**

Just like natural sand dunes our mix contains a blend of creams and whites with hints of dark brown and grey.

◀ **OATMEAL**

A delicate cream colored mix design using marble aggregate.

◀ **MAIZE**

A bright aggregate mix of white and cream marble in a blend of 2-5mm and 1-3mm sizes.

Aggregate suitable for

Pedestrians

Cycleways

Light to medium traffic

Ezfloat and HD Resin Binder

Standard Resin Binder

COTSWOLD

Inspired by the villages of the Cotswolds this finish offers the perfect blend of aggregates to produce a natural finish

NORDIC PEARL

A delicate aggregate mix of subtle cool tones that would look fantastic around a swimming pool.

SEA FOAM

A fusion of gentle browns, greys and white stones resulting in a lovely finish similar to when a tide recedes from a pebble beach.

AUTUMN DAWN

A rich blend of warm colored aggregates ideal for creating a bright and distinctive surface.
